### **Notice Concerning Establishment of Overseas Subsidiary**

Komori Corporation hereby announces the establishment of a new overseas subsidiary in Malaysia. Brief details are as follows.

#### **1. Reason for establishment**

The new Malaysian subsidiary will provide necessary room for growth in order to meet increasing demand for Komori printing presses in Asia and Oceania. Specifically, it will contribute to expanding the global reach of Komori's service structure as well as enhance the Company's sales support structure.

Furthermore, the establishment of this subsidiary in Malaysia is an important part of Komori's broader global strategy targeting service operations. As such, the subsidiary will provide customer (printing technician) training and regular visits to customers in the Asian and Oceanic regions. Leveraging the benefits of being locally based and providing a more intimate service experience, Komori looks forward to future sales growth.
